

Lugano Viganello: 2.5 rooms flat in a design building

New apartment in a beautiful high-standing building under construction, with bold and exclusive architectural design, in the center of Viganello, nearby all city infrastructures such as transports, shops, offices and schools. Delivery is scheduled for summer 2021.

It's composed by entrance hall, a very bright living room with open space kitchen surrounded by a spectacular rounded glass wall, terrace, bathroom, double bedroom. At basement floor there's a private deposit room and parking places available inside garage (CHF 70'000) and outside (CHF 45'000).

The building of absolute high standing will adopt exclusive and precious finishing materials and design- furniture for bathrooms and kitchens.

Still available studios-flats and/or bigger apartments.

Prezzo / Price: CHF 560000

Superficie / Property Size: 50 m²
